CLASS HISTORY

In the year 1948, there entered into Haigler High School, seventeen pupils seeking knowledge. They were as follows: Elaine Adams, David Brown, Vernon Campbell, Ronald Clark, Margaret Colling, Ethel Devin, Barbara Martin, Gloria Miller, Peggy Prewitt, Marilyn Scrivner, Floyd Smith, Lloyd Smith, Betty Tucker, Ruth Wall, Leslie White, Loyd Zuege, and Lyle Griffin.

During that year, Margaret Colling, Ethel Devin, Floyd Smith, Lloyd Smith and Lyle Griffin left us.

Our teachers for our first year were Mr. Horner, Mrs. Horner, and Mr. Rowley.

The next year, when we went back to school, Peggy Prewitt was not with us. Through the year, Betty Tucker and David Brown left. Because of illness, Barbara Martin left us that year also. Our teachers for that year were Mr. Horner, Mr. Swallow, and Mrs. Kirkpatrick.

That year, the whole student body celebrated the last day of school at Paul Kamla's grove.

The next year, our Junior Class was very small. It grew smaller yet when Ruth Wall and Vernon Campbell left us.

In October, we ordered our class rings, which arrived in February. We were very proud of them, too. On December 11, we gave our play "Nowhere Fast." On April 12, we Juniors gave a banquet in honor of the Seniors. Our Spanish theme for the banquet was very colorful. Our teachers for that year were Mr. Kriemelmeyer, Mr. France, and Miss Potts. Miss Potts was our sponsor for that year.

Now we are Seniors. We have struggled for four years to reach the top. We have had much fun in our Senior year. In the first six weeks, we had a party to initiate the Freshmen. We also had a hayrack ride north of town. A wonderful time was enjoyed by all.

Our teachers for our Senior year were Mr. Kriemelmeyer, Mr. Northup, and Miss Potts.

Baccalaureate services were held Sunday, May 11, 1952. Commencement exercises were held Thursday, May 15, 1952.

CLASS POEM

The year is done, and the seniors
Of the class of fifty-two
Are now going to graduate
And are bidding farewell to you.

Now first in line comes Loyd Zuege,
A kid you'd like to meet;
In any kind of sport you'll find,
He simply can't be beat.

Gloria, an active member of our class,
Has led a small town life.
And when she gets out of school,
She'll settle down to be a housewife.

Leslie White, a handsome lad,
Thinks school is quite a bore;
He'd rather dance, or dine or date,
For thinking's such a chore.

Elaine is the quieter person,
Her name's on the Honor Roll;
And just in case you hadn't heard,
To be a secretary is her goal.

Ronald Clark ambles by,
Deliberate as can be;
He's gone through school and done his best
Since the days of his a, b, c.

Marilyn who lives in town,
Is active in school each day.
She's going to be a school teacher,
And draw her monthly pay.

Now, on and on as the days roll by,
We ask a favor of you--
Always remember the Senior Class
Of nineteen fifty-two!

CLASS WILL

We, the Senior Class of 1952 of Haigler High School, of Haigler, Nebraska, being of sound mind and memory, do make, publish, and declare, this our last will and testament, in manner and form as follows:

We, the Seniors, bequeath to the Juniors our ability to reach HAPPY conclusions. Also we leave to the Juniors the last two rows of seats in the assembly.

Elaine Adams wills her bashfulness to Mildred Workman, and her long legs to Dean Childers. To Dallas Brown she wills her flying fingers in typing.

Gloria Campbell wills her height to Pearlene Workman and her ability to get married and still finish school to Irene Schwartz.

Marilyn Scrivner wills her quiet ways to Almeda Bier and her ability to get to school on time to Don Wall. To her sister Gweny she wills the privilege of driving the "Chevie".

Loyd Zuege wills his ability to copy correctly in class to Stanley Evans and his theme writing ability in History Class to anyone who can use it.

Leslie White wills his heavy build to Gailen McCoy and his good grades to Roberta Beeson. To Eddie Collins he wills his ability to get along with the girls.

Ronald Clark wills his charming walk to Elmer Wilkening and his pleasing personality to all the under-classmen. To Sam Clegg he wills his ability to get along with Freshmen Girls.

Signed, sealed, and delivered this fifteenth day of May, in the Year of Our Lord, A. D. 1952, at the High School Building in Haigler, in the State of Nebraska. Finis.

CLASS PROPHECY

Here it is 1962. It has been 10 years since we have graduated from the Haigler High School. We are going to have a reunion of the senior class of '52 at the Haigler High School Auditorium. On my way from Duluth, Minnesota, I stopped off at Loyd Zuege's ranch in North Dakota. He has a very prosperous looking set up. He is married and has three children, two boys and one girl. After picking up Loyd we went on to Haigler.

As I go through the door the first person I see is Leslie White. He tells me he is now a jet pilot. He says he flew a plane to Denver and then drove the rest of the way into Haigler. He is unmarried so far but you never can tell about Leslie. We talked over old times for a while then we decided to go find the rest of the group. As we go in the auditorium we find the rest of the gang talking things over so we go over and join the group.

I find that Elaine Adams is now working for a large firm in Denver as a secretary. She is engaged and seems to be very happy about it. She says she will probably be married in a couple of months, I believe I heard her mention something about "Woody".

As I move on I see Marilyn Scrivner, she says she is a music teacher. Knowing Marilyn as I do, I am willing to bet she is a good one. She says she enjoys the work very much, she has no immediate plans for marriage.

I find that Gloria Campbell was not able to be with us today. Marilyn Scrivner tells me that she was up to Oshkosh, Nebraska to visit Gloria the other day. She says that Gloria is in good health and spirits; she's the mother of four boys. The youngest boy was sick with the mumps so Gloria had to stay home and take care of him.

Well I guess the party has broken up so Loyd and I have to return to our homes. After saying good-bye to Loyd, I start back for Duluth where I am employed as a high school basketball coach.

To The Seniors

Seniors of Haigler High School we greet you and enjoy the fact with with you that you have completed an early part of your education in life's requirement for success. From now on you will be somewhat on your own and your efforts principally will determine wheather you become useful citizens. We know that you have been instructed in the principles of right living and taught that Good Character is perhaps the first and underlying requirement. The world does not owe you a living other than the field in which you may work out your own destiny. The best of luck and happiness to you all!
