CLASS HISTORY

In the year 1949 there entered Haigler High School eight pupils seeking knowledge. They were Dean Childers, Sam Clegg, Stanley Evans, Dallas Brown, Jack Sanford, Naomi Tucker, Irene Schwartz, Roberta Beeson. Our teachers for the first year were Mr. Horner, Mrs. Kirkpatick, Mr. Swallow.

The next year we went back to school. During that year Naomi Tucker, and Jack Sanford, left us. Our teachers for that year were Mr. Kriemelmeyer, Mr. France and Miss Potts.

The next year our dwindling class grew even smaller when Dallas Brown, left us in the second semester. Also in that year we received our class rings. On December 11, we gave our play "If Mother Only Knew." We gave our Banquet in the spring. The Circus Theme which we had was very colorful. Our teachers for that year Mr. Kriemelmeyer, Mr. Northup, Miss Potts.

Now we are seniors. We have struggled four years to reach this goal. We have had lots of fun during the past four years. On a bright and early morning in the spring the class of 1953, now consisting of only two girls and three boys, started on the annual traditional Sneak Day. We felt as if all the work of the past four years was being repaid at this very moment. We rejoiced to think the rest of the high school was laboring and we were vacationing. Mr. Kriemelmeyer, our sponsor, and our lady sponsor accompanied us. We all had an enjoyable time long to be remembered. Our teachers for our senior year were Mr. Kriemelmeyer, Mrs. Kriemelmeyer and Mr. Northup.

Baccalaureate services were held May 10, 1953. Commencement exercises were held Thursday, May 18, 1953.

CLASS MOTTO

Push, Pull, Or Get Out Of The Way

CLASS POEM

We the class of 53
Have had our share of fun.
Although our school days are over,
Our life has just begun.

First comes Sam Clegg,
The athlete of the class.
He always follows training rules,
So he can block that forward pass.

Next along comes Roberta Beeson,
The undecided gal.
You'll always find her in the lead,
And ready to be your pal.

Stanley Evans is a cheerful guy,
Always full of fun,
But when he wrecks that Plymouth,
He'll be on the run.

Irene Schwartz, the friendliest of our group,
Always cracking a joke is she.
Her personality will take her far,
Nomatter where she may be.

Last but not least comes Dean Childers,
The artist of the class,
Although he doesn't work too hard,
His ambition is to pass.

Well friends, I can't think of any more,
I'm closing with a sigh,
And so without another word,
I'll just say " Goodbye."

CLASS WILL

We, the Senior Class of 1953, having sound mind and common sense, do constitute, drag into the limelight and proclaim this our last will and testament in fashion and procedure as follows:

We, the Senior Class of 1953, will our inheritance from the class of 1952 to reach happy conclusions to the Junior Class as they appear to be needing it. The senior girls will the post office step at noon to the junior girls.

Sam Clegg wills his bashful ways to Almeda Bier, his crutches to next year's football team.

Irene Schwartz wills her ability to get along with her boyfriend to Mildred Workman, her ability to drive to Norvin Vanderford, and her graceful dancing steps to Rex Tracy.

Dean Childers wills his ability to make wise cracks to Lucille Schwartz, his long legs to Pearline Workman, his artists fame in class to anyone who can get away with it.

Roberta Beeson wills her ability to keep awake in class the day after the night before to Merna Workman, her cheerleading uniform to anyone it will fit, and her brilliant brain to Gailen McCoy.

Stanley Evans wills his mild temper to Don Wall, and his ability to stay out of fights to Bobby Collins.

In witness whereof, we hereto subscribe our names and affix our seal this fourteenth day of May, in the year one thousand nine hundred and fifty three.
