## DEDICATION TO

It seems as though it were only a few short years ago when I used to look forward to a bed-time story and a chance to lick the cake bowl. But the years flew by and new things filled my desires . . . clothes, the use of the family car, dates, and MONEY. Yes, and you, Mom and Dad, were the ones who always shared these little things with me. You laughed when I

laughed; cried when I cried. You knew and understood that all these things were just a part of my growing stage.

And so, Mom and Dad, I offer this dedication to you to express my appreciation for all the loving memories of your trust, confidence, wisdom, understanding, friendship, and love you have given me through these years.

## FOREWORD

"These are the happiest days of your life." How often we high school students hear these words. We cannot deny that these words do hold some truth. We are young and can share the problems of growing up. We are learning to accept responsibility, but we know we are always able to ask for guidance and assistance from our elders. We are also at an age when opportunity is very great. We are receiving a varied education which will always be invaluable to us.

It is very fitting that these happy days should be preserved in the "Eagle". The words and pictures have a special meaning for each of us for we are all a part of them. The pleasant memories shared by students of Haigler High School are found in these pages. The worth of the "Eagle" will grow with each passing year.

Congratulations to the Eagle Staff and its editor on this very fine annual.

To the Seniors of '66, may the days you have spent at HHS live always in your fondest memories. May the future be one of happiness and no matter how difficult the future may be; the "never give up" spirit of your school will carry you to greater heights.

# CLASS HISTORY

In the year of nineteen hundred sixty two, six girls and Bill entered Haigler High as the greenest Freshmen in years. We were Connie Evans, Elaine Cox, Glenda Harford, Meryl McArthur, Bill Sharp, Cathy Stute, and Barbara Walker. We were very quiet, shy, and scared.

Gayle Blank joined our happy group the first of our Sophomore year. Our class published the school paper that year as our money making project.

Our class was the largest in our High School history our Junior year when Evelyn Roundtree, Shirley Plucker, and Tom Wall entered Haigler High. On Friday, November 13, we gave our Junior Play, "Saved by the Belle". We had to borrow two Sophomore boys to complete our cast.

Our beautiful "Cinderella Ball" and banquet were given in honor of the Senior Class of '65 on the evening of May 1. The X-Sonics filled the ballroom with music. This wonderful night came to an end at the magic hour of midnight. During our last semester we lost Shirley Plucker.

Elaine Cox and Tom Wall were not with us at the beginning of our last year here. We initiated fourteen Freshmen, with different fantasy characters. On March 25, we gave a most successful three one-act plays. Several commented it was the best presentation in years. The Juniors gave a beautiful banquet and Prom for us on the evening of April 29. Hadley Barrett played that evening of "In The Misty Moonlight".

Baccalaureate services were held May 1, in the Lutheran Church. Commencement was held May 5, 1966, in the school auditorium. The following day we left for Denver for our field trip.

# CLASS PROPHECY

Just ten years ago this small class of seven girls and Bill left the halls of Haigler High. Now, once again, we meet for this memorable reunion. It is after the main speech, and time for each member to account for his achievements of life these past ten years.

Gayle Blank, no longer her name, of course, is happily married now. After her business course, she returned and is now employed back here in 'Ole Haigler High as the official bookkeeper.

Connie, formerly Evans, traveled the farthest for this important day. She lives in Paris and owns a famous fashion designing bar. She must work hard to support her husband, a free-lance artist.

Glenda Harford, as we used to know her, flew all over the world as a stewardess with the TWA, until recently. She was stationed in England where she met her husband.

Meryl McArthur, after completing business college, took a job in the Bank of Denver and married her handsome boss. She gave up her career and is now the mother of two children.

Evelyn Roundtree, now known under another name, works as a cocktail waitress (promoted). She finally married the wealthy owner and now they both have to live on her tips.

Bill Sharp, after completing mechanic school, worked in a garage until he was twenty-one. He then went to Las Vegas, hit it lucky, and now is the owner of the Gold Nugget.

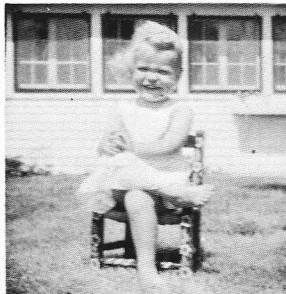

Cathy Stute, after graduating from college, teaches in New York City. She married into the famous bankrupt Rockefeller family and is now living in the Bronx.

Barbara Walker, graduated from Central Business College, is now the private secretary of Peter Jennings of NBC.

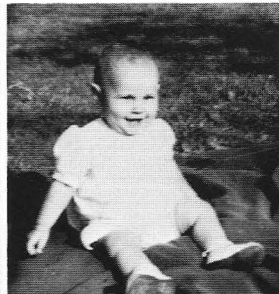

Now, after we have all told about ourselves, we are looking forward to our next reunion in 1996. See you all then.

# COACH AL GASTON

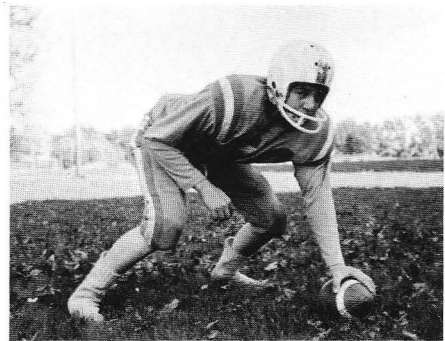

The Seniors of '66 would like to dedicate the sports section of this year's annual to our Football, Basketball, Track, and Volleyball coach. Coach Al Gaston has made us realize the true meaning of the word sportsmanship. He has contributed much to the appearance of the football field and of managing the athletic department. We hope that this dedication expresses our gratitude and appreciation.

# HOMECOMING 1965

The annual Haigler Homecoming festivities were held September 24, 1965, the parade, starting at 2:00, made a very colorful display down main street. The American Legion led the parade followed by the band, school floats, and business floats. The judges were Dorothy McKay, Belle MacGregor, and Forrest Scrivner. Float winners were first - 5th and 6th grades, second - Junior class, third - Freshman class, fourth - 7th and 8th grade and fifth - Senior class.

The football game, Haigler vs. Palisade, proved to be an exciting one. Although Palisade came out on top 38 to 19, the Eagles played an inspired game. High scoring man was Tom Pearson with two touchdowns followed by Mark McVey with one touchdown and Jim Trembly kicking the extra point. At half-time the parade winners were announced and the queen candidates, who were Barbara Walker, Gayle Blank, and Cathy Stute, circled the field in a white convertible.

At 9:00 the same evening the Homecoming dance was held in the gym which was decorated with purple streamers and gold balloons. The highlight of the evening was the crowning of the royal couple. Last year's queen, LaVern Smith, crowned Gayle Blank the 1965 Homecoming Queen, and she in turn crowned Bill Sharp 1965 Homecoming King. The attendants were Cathy Stute, Charles Pihlgren, Barbara Walker, and Aaron Irwin. Carrying the crowns were Debby Green and Jay Church. The dance music was played by the Venutras until midnight when the Homecoming Festivities came to a close.

The 1966 track team was led by the three top scoring men; Jim Trembly, Mark McVey, and Gary Myer. During the season we won the mile relay trophy at Venango. Those on the team were McVey, Trembly, Clegg, and Irwin. Because Haigler ran in the second heat, all were surprised to hear our time and that we had won. At the Fleming track meet we placed third with 30 points. Jim Trembly set a new Fleming shotput record and Mark McVey tied the 220 school record.
