#### Class Prophecy

Last night, May 18, 1972 I watched and listened to the closing remarks of the graduation ceremonies of the class of 1972. As I listened to the speaker she urged that they direct their attention to the future and that they might so do by setting a goal that each might want to attain by 1976.

The graduating class consisted of nine members. Six of these members started to further their education by enrolling in institutions of higher learning. Three of these members, Marlin Crouse, Lorenzo Douglass, and Tom Harford, chose to remain laborers and started working. This didn't last long and Lorenzo joined the armed services. Marlin decided to go to a vocational school, and Tom enrolled in Colorado State College.

May 18, 1976, Lorenzo Douglass joined the armed services, and has re-enlisted. We find him stationed in Germany where he met a Fraulein and they are making the armed forces a career. Marlin Crouse received a degree from Vocational Technical school at Goodland one year ago and is presently engaged in carpentry and farming.

Rick Bush, Janette Erdman, Christie Cunningham, and Mike Maupin are tonight receiving degree's from Kearney State College. Janette is anticipating her job in the fall in elementary education. Mike and Rick are going into business with degree's in Business Administration. Christie has finally attained her first step now and becoming a socialologist. Galena Collicott received her degree in business two years ago and then accepted a position as Mrs. Stanley Webster. They are making their home in Ames, Iowa where Stanley is working for a DUM. Gail Collicott starred for McCook College Basketball Team and then went to Kearney where he is receiving his degree in physical education. Tom Harford worked in Greeley, Colorado for one year and then married. He is presently enrolled in school there in Greeley. These are my projections for the class of 1972. Where will the road of life lead them?

Robert Ambrosek

### CLASS HISTORY

In nineteen hundred and sixty the Haigler Public School came into touch with a group of nine school-crazy kindergarteners. They consisted of Mike Maupin, Tom Harford, Janette Erdman, Carla Sharp, Betty Ferguson, Paul Grow, Roger White, Marlin Crouse, and Lorenzo Douglass. We all decided that school wasn't going to be as bad as we thought it would be so we made it through the very first year and it was on to the next. As that year came, we lost three classmates Paul, Betty, and Roger, but to our surprize we gained two other classmates, Christie Cunningham, and Janice Irwin.

Our third year we lost Janice, but we had three other classmates join us, Rick Bush, Galena Collicott, and Gail Collicott. The year after showed no change in our class, but we gained Dee and Lee Worley in our fourth grade class, but they didn't leave us until after graduating from the eighth grade. Fifth grade showed no change and the sixth grade brought one more classmate, Clifford Samler.

Clifford left our class before school season presumed, as at the first of the year we had the same little group. Directly after eighth grade we lost Dee and Lee and our class once again consisted of Carla, Mike, Tom, Galena, Gail, Marlin, Rick, Lorenzo, Janette and Christie.

It was not until our Junior year did we lose another classmate Carla Sharp and as we end our school years at Haigler our class consists of nine friends and classmates. We are the 1972 Haigler High Seniors: Mike Maupin, Rick Bush, Galena Collicott, Gail Collicott, Janette Erdman, Tom Harford, Lorenzo Douglass, Marlin Crouse, and Christie Cunningham.

# JUNIOR CLASS PLAY

## A Time For Us

The Juniors honored the Seniors at the Junior-Senior Banquet and Prom on April 15th, 1972. The theme was "A Time For Us" and was decorated in green, yellow, pink, and blue.

The banquet started at 6:00. The menu consisted of ham, mashed potatoes, green beans with cheese, fruit salad, rolls, and cherry delight. The servers were: Skip Cunningham, Scott Olson, LaVern Smith, and Keith Haskell. Kenny Douglass entertained us with the song of "A Time For Us". The dance followed the banquet and the "Country Playboys" provided the music from nine to twelve thirty.

We want to express our appreciation to the Juniors and their mothers for all the work they went through to make the Prom a "Success". It was an enjoyable evening, thanks again.
