Mr. Huether

We, the Senior Class of 1975, dedicate this annual to two individuals who have been guiding and tolerant the past years. We will miss a great friend and teacher in Mr. Huether. We wish him the best in his new position. Dale, we wish you many more successful years at Haigler.

# PROM 1975

On April 26, 1975, the Juniors held the banquet and dance for the Seniors of '75. The music for the dance was provided by "Chicago's Country" from McCook, Nebraska. The theme was "Here Comes the Sun" and the gym was decorated in shades of summer pastels.

The seniors of '75 would like to thank the Juniors for all the hard work they did giving us such beautiful decorations and a very good meal. We also wish to thank the Junior mothers for helping prepare the meal.

### CLASS PROPHECY

The halls of Haigler High are finally quiet. The annual spring programs have all been completed and the class of 1975 has departed. As I look forward into the future, I see many activities that the Class of '75 are engaged in.

Nine members of the class received their diploma's on the 21st of May, 1975. Five of the nine saw the need for an advancement in their education. Those five were Sue McCauley, Lori Zuege, Cindy Erdman, Dan Schorzman, and Deb Akey.

Sue McCauley Collicott attended McCook Community college for 2 years where she played on the McCook volleyball team. She then attended Chadron State College and completed her requirements to become a Physical Education instructor.

Lori Zuege attended Kearney State College for two years getting a certificate in Business and then married Rick Brown.

Cindy Erdman attended McCook Community College and her husband Dan Schorzman attended Milford Technical School. Cindy then attended Kearney State College and received her degree in Music Education. Dan is self employed in Schorzman's Refrigeration.

Deb Akey attended Kearney State College where she received her degree in Elementary Education. Deb is presently teaching and her husband whom she met at Kearney is ranching.

Lonny McArthur and Tim Kieffaber are both employed at Haigler Co-Op Equity. Tim is in charge of the elevators and Lonny is the mechanic. Both of them attended Seminars giving them training in their areas.

Lloyd Douglass is Foreman on a large ranch in the Haigler area. He tried rodeo riding but found the ground to hard.

Jann Hoffman saw wedding bells immediately after graduation and is presently raising a family and doing chores on the James "Jake" Brunswig farm.

This is as I presently see the Class of '75.
