Dedication

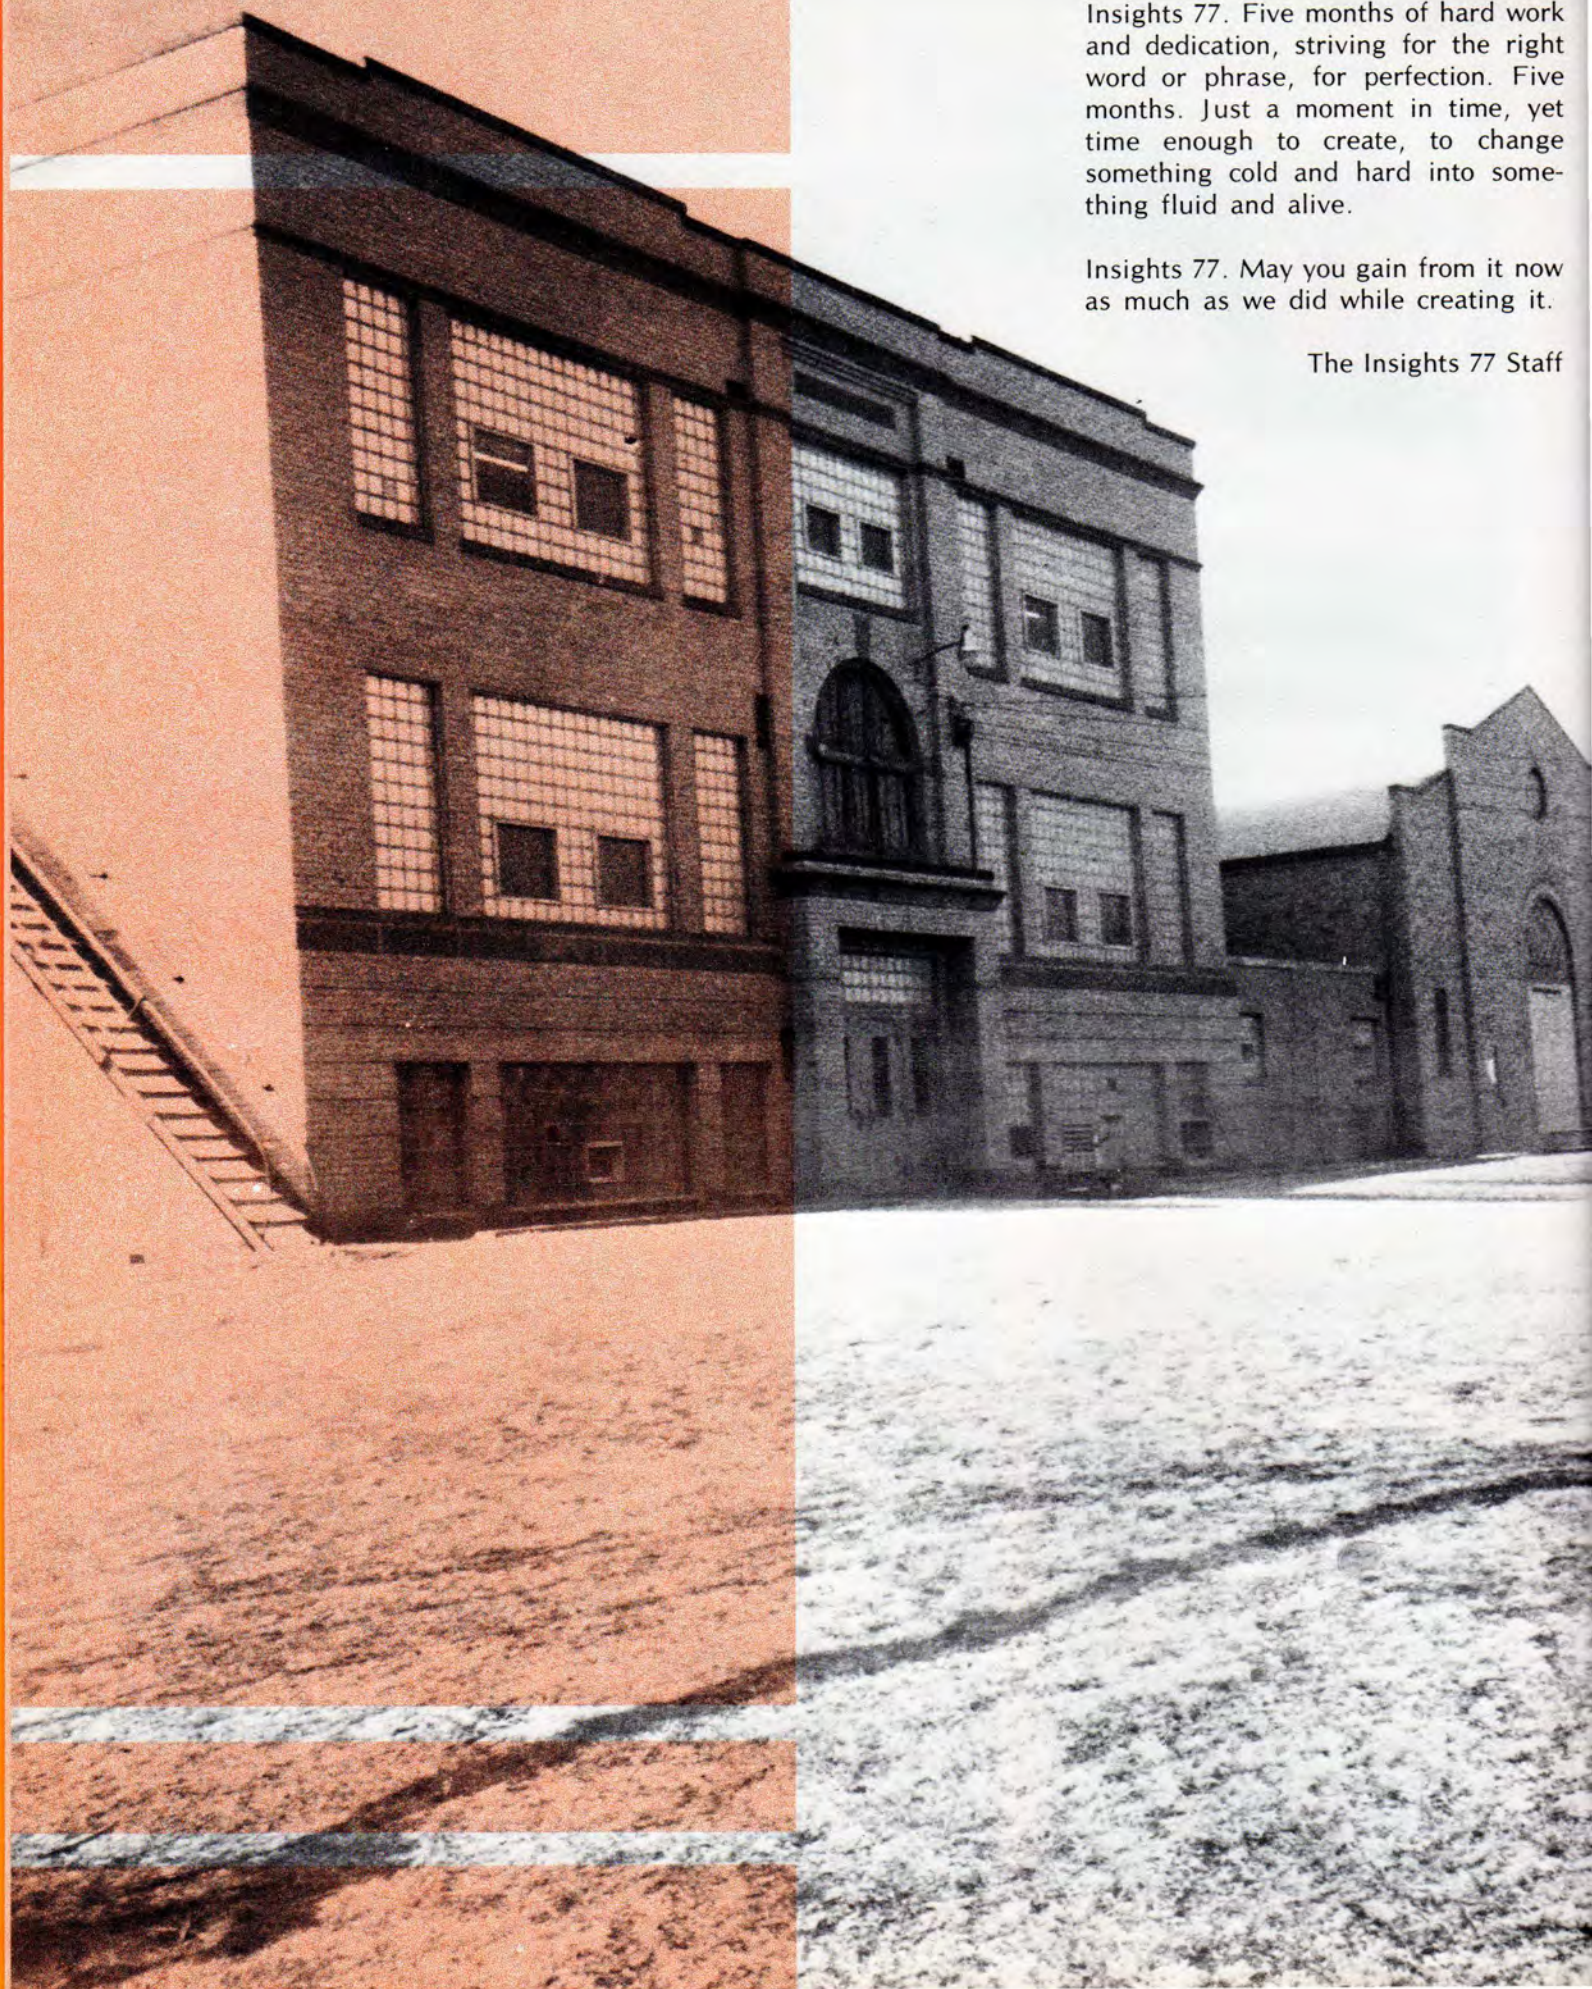

We, the Seniors of 1977, dedicate this annual to Renee Ambrosek. She will be remembered by all for her spirit and love of life.

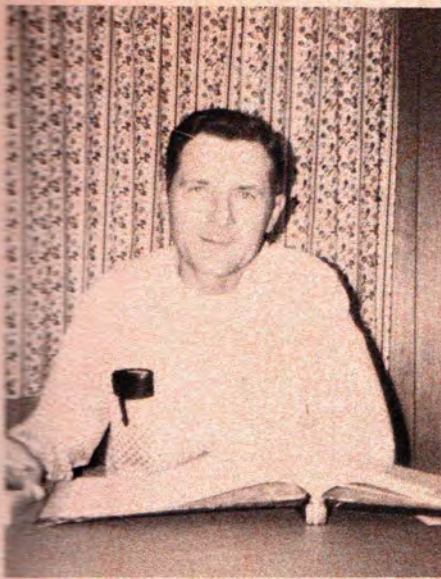

7

Insights 77. Five months of hard work and dedication, striving for the right word or phrase, for perfection. Five months. Just a moment in time, yet time enough to create, to change something cold and hard into something fluid and alive.

Insights 77. May you gain from it now as much as we did while creating it.
